WORK EXPERIENCE

Web Developer – SquareLabs Pvt. Ltd., Tinkune, Kathmandu July 20, 2025 - Jan 15, 2025

- Started as a Web Development Intern (July 20 – Oct 20, 2025) and promoted to full-time.
- Developed full-stack web applications using MERN stack and WordPress.
- Built responsive, user-friendly apps with RESTful APIs, authentication, and MongoDB/Prisma integration.

PROJECTS

- **Content Management System (CMS) – MERN Stack:** Developed a reusable and dynamic CMS to create, manage, and display multiple content. Implemented secure admin authentication using JWT, dynamic form for CRUD operations which is stored in MongoDB using a flexible schema, allowing easy extension for new content types.
